It is the voyage and the adventures on the way that count, not the arrival itself.

Every man needs a great and distant goal toward which to strive. But in traveling toward it, he should try to keep in mind that the fabled land he seeks has shores much like the one he left behind; that its purpose is not so much a resting place, but rather the reason for the trip.

Do that which is assigned you, and you cannot hope too much or dare too much. The key to it all is to find the assignment. That's the journey it was meant for us to take.

Diane,

You are the sweetest and nicest girls in the 8th grade. You have a great personality. I will never forget all those great times we had. One of them was when Billy, Johnny and Carol came over and we watched the movie "The Birds." Then when we played spin the bottle. It was great! Billy sure is a blast isn't he. Maybe we can do it again. I can't wait until we get to have that party. Remember yesterday when we went to Burns lake. We had fun. You were always such a big help help when I had problems. You helped me solve most all of them. Remember in Science. We had a blast didn't we. I don't think we'll ever forget that day when I broke up with Billy. I was so upset. I felt better when you talked to me about it. Diane, I know that you'll always be around when I need help. You are so GREAT! Remember all those times when we went to SANFORD NAVAL ACADEMY? All those cute guys. HA! This year was such

Deane -

Really - I think an awful lot of you and I'm awfully glad Brenda has a friend like you. Both of you are welcomed any time in my home. Yall will have to come see me this summer and if I move maybe I can sponsor a "slumber" party for yall. I know I have been harsh with you two but I just can't help but be concerned for you. Try not to stay mad to long with me at times because I really don't mean to make yall mad or hurt your feelings. Stay sweet & cute and be good this summer.

Love -
Priscilla

Deane,
You are a
truely great
gal & I'am have
been ever since
I met you in

Wherever I have
a problem you
listen with more

girls like you, Know

Best of luck to ya -
